## **2017 Annual Report**

### **Mission Statement**

NCMI equips the faith community, mobilizing public and private resources to eliminate poverty and its root causes.

## CEO Letter

---

Nazarene Compassionate Ministries Inc. completed a successful year in 2017. Highlights include delivering grant results in Swaziland for the Center for Disease Control and Prevention and The International Center for AIDS Care and Treatment Programs. In the United States we responded to natural disasters and provided capacity building assistance to the many Compassionate Ministry Centers in the USA/ Canada Region. A large grant from US Department of Justice provided mentoring for at risk youth in 5 sites.

NCMI is happy to be a strategic partner for the Church of the Nazarene and appreciate all of our partners in ministry: Fawn Grove Compassion Center, Convoy of Hope, Hands of Hope Northwest, United States Agency for International Development (USAID), Kudjip Nazarene Hospital, World Assist and Sacramento Compassion

Center.
