Preventing Sexual Misconduct - Session 7

Presenter: Gregory Love

Monitoring and Oversight

Make sure we **say** what we are doing .

Periodically review policies for relevance and effectiveness.

If there are things we are not doing, is it because we are lazy, OR is it something we cannot do?

Then, we need to modify our policies.

Utilize the Control Panel.

Create a plan to make sure training is being done!

Five-part Safety System

1. Sexual Abuse Awareness Training
2. Appropriate Criminal Background Check
3. Skillful Screening
4. Tailored Policies and Procedures
5. Monitoring and Oversight
